**Subject:** APIC comments on the Draft Guideline for the Prevention and Control of Norovirus Gastroenteritis Outbreaks in Healthcare Settings  
**Attachments:** Norovirus comments to CDC 7\_20\_10.pdf  
  
**Follow Up Flag:** Follow up  
**Flag Status:** Flagged

The Association for Professionals in Infection Control and Epidemiology (APIC), an international association comprising greater than 13,000 infection preventionists, wishes to thank the Centers for Disease Control and Prevention for the opportunity to provide comments on the Draft Guideline for the Prevention and Control of Norovirus Gastroenteritis Outbreaks in Healthcare Settings. After review of the draft guideline, APIC suggests modifications to the specific draft recommendations provided in the attached document.
